Hi Corine,

I lost my access to the wtr 6 drive, so I have been saving the ETT on the ENF-3-3 drive. If you send me an email stating the you give me permission to access the wtr 6 drive I can call IRM and have them map the drive to my computer, so that I may begin saving the ETT trends and breakdown list in a folder on the wtr 6 drive. Until then, I have attached the ETT master list with the trends info.

Jelani --

Thank you for the individual ETT lists. I'd like to print the trends on paper and was wondering whether you have posted this information on the g;User share so that we can access 24/7. Thanks.
